

**TRAILER ESTATES PARK & RECREATION DISTRICT
SPECIAL WORKSHOP
SMALL HALL
February 29, 2008**

A special Workshop was held Friday, February 29, 2008 at 9:30 a.m. pertaining to the Laser Fiche demonstration given by Bob Sweeny from R&S Integrated Products and Services.

The office was closed from 10:00 a.m. to 12:30 p.m. so our office Manager TJ Miller and Doris Waddell could attend.

Other than the Trustees present there were three other people in attendance.

Mr. Sweeny explained how the system worked to back up office records and gave us a preliminary proposal.

Respectfully Submitted,

Peg Durham
Secreatry
