

C.E.R.T.

(COMMUNITY EMERGENCY RESPONSE TEAM)

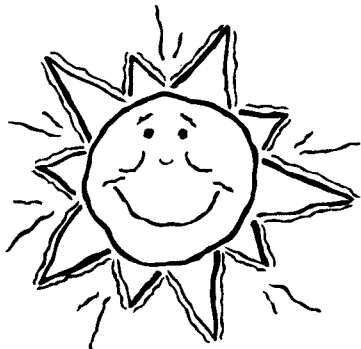

Thanks to all of you that attended the June Coffee Break. We appreciate the opportunity to inform the community about C.E.R.T.

August and September are traditionally the most active hurricane periods. We are prepared. Are you?

Important points to remember.

- Take shelter when asked to. The shelters are announced and marked.
- Familiarize yourself with the emergency exit routes.
- Make sure you have an emergency radio and that it is tuned to the local station.
- If you are going to a motel, go east beyond I75. We are subject to 30+ foot storm surge.
- Have your emergency bag packed. Brochures are available to assist you in putting together the necessities. You can find them in the hallway of the Activity Center.
- Have a supply of food and water on hand.
- Look out for your neighbors, particularly those that may not have transportation to a shelter. Make sure the special needs residents are taken care of.
- Return only after the all clear has been given.

For more information call Mary Huston at 941-756-926 or Ken Meierjurgan at 941-758-8867.

Meters on Electric Poles

Fred Hoch, Public Relations

If this is your situation, please take note. The Fire Marshall has condemned some of the electric meters on the concrete poles, requiring people to replace them. It is a fire and/or electrical hazard. There are 18 poles with meters still on them. Florida Power and Light (FPL) will not remove empty poles unless the people convert their electric to a pedestal. Please help the Park in upgrading your electric service to prevent this. Your neighbors and your Board appreciate your cooperation. Need help? Call Fred at 753-0488.

RECYCLE

for a cleaner environment.

T.E. Woodshop

This is your T.E. Woodshop reporter. Slow with the Canadians gone. No drama. Now we have the place to ourselves---isn't it wonderful.

We weren't told much at the meeting (third Thursday 9AM), I guess because there isn't much to tell. Vinni Petricelli and Joe Shannon made a nice new box to accept your donated cans. (Did I tell you that before ---A senior moment?) We voted to buy a brick in the Beach Walk for Roy Yeager, a long time woodshop member who died a short time ago.

I know you are sitting on the edge of your seat for our regular (for now) "Window On T.E. Woodshop History." Little known facts that will allow you to win when playing "T.E. Trivial Pursuit." One time when we had a big wind, the roof over on one of the trailers on Tarpon Ln blew off over the canal and landed on top of one of the big boats parked on the other side. The woodworkers went over and disentangled it and cut it up to be sold. Think of us when the big wind comes.

Thank you for your aluminum donations (windows at the back of the woodshop and in back of the dumpsters) but we could always use more. Tell your neighbor or your beer drinking buddies.

All of for-der-all (now there's and old timey word) has got to go. More work to do.

Well this is Mr. Permanent, your woodshop reporter, signing off.

– John Ames.
