Re: Mary Lou Smith and Sharon Denson vs. Trailer Estates Park and Recreation District,
Janet Jones, John Vander Molen, Joseph Salerno, and Mary Lou McNulty.
Case No 2008 CA 11315

Your Honor,

I am a property owner in Trailer Estates and wish to state my concern that is certainly shared by all who are paying Park Fees.

This case has been consuming huge legal fees and will continue to do so based on the large volume of participants and representative attorneys. We, the park property owners, are already subject to increased fees to pay for these legal fees and there does not appear to be an end in site.

The park needs to have the opportunity to correct whatever needs to be corrected without a court decision directed by Denson/Smith and their attorneys. We have over 1280 property owners who will insure that a court order to perform the correction is carried through in a reasonable time frame.

Please do whatever you can to expedite this case. There are no deep pockets to pay for it.

I thank you for your understanding.
