

RECORDS MANAGEMENT COMPLIANCE STATEMENT
Fiscal Year 2006-2007

Please read and complete the following and return by December 31, 2007 to: Department of State, Records Management Program, Mail Station 9A, Tallahassee, FL 32399-0250; FAX (850) 245-6795.

Section 257.36(5), Florida Statutes: "For the purposes of this section, the term "agency" shall mean any state, county, district, or municipal officer, department, division, bureau, board, commission, or other separate unit of government created or established by law. It is the duty of each agency to: (a) Cooperate with the division in complying with the provisions of this chapter and designate a records management liaison officer. (b) Establish and maintain an active and continuing program for the economical and efficient management of records."

Rule 1B-24.003(10), Florida Administrative Code: "Prior to records disposition, an agency must ensure that retention requirements have been satisfied. The minimum requirements for each records disposition is the identification and documentation of the following: (a) Schedule number; (b) Item number; (c) Record series title; (d) The inclusive dates; and (e) The volume in cubic feet. A public record may be destroyed or otherwise disposed of only in accordance with retention schedules established by the Division. Photographic reproductions or reproductions through electronic recordkeeping systems may substitute for the original or paper copy, per Section 92.29, F.S."
