We do not get any TE e-mail....TE office does not send out E-mail. You wrote directly to us about the minutes. Who were you thinking of setting up a web site and keeping it up to date? People seem to forget that all the Board members are strictly volunteer and believe me when I say it is a full time job . I know because John served on the Board for over 13 years and it is absolutely unbelievable what people expect from those volunteers , fortunately they are in the minority, most people appreciate what they do and are willing to pitch in and volunteer to help instead of crabbing. I really appreciate what you do. I can't understand why the park doesn't provide them on a web site. As you and I both know, it is a simple thing to do. Does all of the Trailer Estates e-mail come to you or was this request forwarded?

I'll contact the office directly for them.

Mary Lou Smith

Thanks for the response, Janet. I know being on the board is a thankless job and strictly volunteer. However, when one does agree to serve, there is an expectation that they will perform the job correctly. When they do not, it must be brought to their attention. I sent the e-mail to testates@juno.com, which was listed in a state of Florida document as the e-mail address for the park. It don't know how this happened, but is a serious error on the part of someone.

As to the web site, my husband, Dan would be happy to set it up and manage it. He can do that from here or there. How do I go about volunteering this service?

Mary Lou
