Subject: Future Planning 4

Future Planning Meeting of December 6, 2006 Vice Chairman Herb MacFarlane opened the meeting in the Small Hall at 1:00 PM. Members present were , Flo Mallory, Dorothy Naugle, Herb MacFarlane, Yvonne Poirer, and Janet Jones - Liaison, with visitors Chet Force, Kay Hislop, and Bruce Smith.

Flo Mallory stated that Future Planning is expected to meet monthly starting October through April. Herb MacFarlane expressed concern that he could not be here until November and after the meeting suggested that Flo Mallory become acting Chairperson until elected officers are present. Flo Mallory updated the Committee that the proposed washroom at the Bocce Court was considered and found to be too costly to be justifiable. The suggested improved signage on the beach area has not been acted upon. Chet Force updated us on the improvements to his Web page and support was expressed for his efforts. Discussion then turned to the survey comments in the November Tribune and that the published wording might have been more tactful. The suggestion was made that a small committee be established to review submitted material prior to publication. It was also suggested that further study of the Survey by age groups be made. This will be considered in the January meeting. Discussion included possible added storage space for recreational facilities. A "Skills Inventory" of our residents will be considered in the future. The meeting was adjourned. at 3:00 PM.
