Re: Public Records Request  
Letter of January 7, 2010

Dear Mrs. Gaeta:

The District is in receipt of your letter dated January 7, 2010, regarding your request of December 2, 2009, to view two documents related to room reservation requests. As you have been told, the District has been unable to locate the requested documents, although the remainder of the room reservation records appear to be in order. It is unclear whether these particular documents were misfiled or were improperly removed from the District Office, but the District has performed an exhaustive search, and the requested documents cannot be found.

If the documents are uncovered, the District will provide you with a copy immediately. However, at this time it is not possible for the District to fulfill your request. We apologize for any inconvenience this may cause.

Sincerely,

KIRK • PINKERTON, P.A.
