Dear Sharon Denson:

In response to your letter of June 26, 2008 and the article you submitted for the Tribune, the Board of Trustees at the June 9, 2008 workshop was in full agreement that the article should not be published. It appeared to the Board that this was a "letter to the editor personal opinion letter".

As the Board Chairman wrote to you on February 6, 2008, the Board has not permitted personal items for the Tribune. In that memo to you she stated that the Policy and Procedure Committee will be considering this matter in the future.

The decision to stop the former "Rants and Raves" column was made after a series of workshop and regular Board meetings last fall. The minutes of the September 10, 2007, October 8, 2007 and on the TE Website for your review.

Sincerely,

John Vander Molen – 1<sup>st</sup> Vice Chairman/Maintenance  
Board of Trustees
