Chairman, Trailer Estates Park and Recreation District
Board of Trustees

Dear Mary Lou,

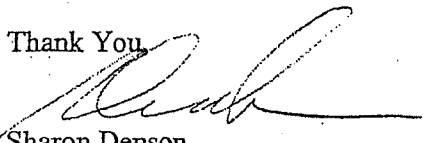

Please provide a copy of the end of year financial statement 2005-2006 that is described in the Charter, Section 12. This section speaks to preparation of a budget and a financial statement. The audit report for last year was dated October 21, 2005. If the 2005-2006 report is available now, I request my copy of the statement as promised in the Charter, section 12 . ".....A copy of said statement and a copy of said budget shall be furnished by mail to each taxpayer within the district within 30 days after its preparation and a copy made available for inspection at the principal office of the district at reasonable hours."

If the statement is not ready, when will it be and when will it be mailed? I would appreciate having ours mailed to our Florida PO Box 5677.

The Charter does mandate that this statement be mailed to each taxpayer, I have never received one. (The term shall does not leave room for interpretation) I therefore request that the Board fulfill its obligation to each taxpayer and provide the statements from the year 2000 to date be furnished when the current statement is sent.

The Florida Sunshine Laws do apply to this request.

Thank You
