RE: Request for Information to be placed on WEBSITE

Attached is a letter from the Hobby Club regarding a request for pictures to be placed on the TE Website. In reviewing the website policy it is necessary to gain board approval for placing items on website.

I would like to upload the pictures from the 85+ party/Hobby Club to our website. This is their 15<sup>th</sup> year hosting this event, and I believe that could serve to justify adding it to the website. I don't believe I would encourage the board to upload club events regularly, only those events that are determined to be significant.

In that we just had a board meeting I am asking for your approval through this memo. Please complete the bottom part of this page, as soon as possible, and give it to TJ. I will check with her Wednesday afternoon, and upload the pictures later in the day.

Thanks.

       I approve the posting of the 15<sup>th</sup> Valentine Party/Hobby Club pictures on the TE Website.

  ✓   I do not approve. *Only because you are going to pick and choose who gets pictures in the Tribune. All or none. Since this is notable, I don't think*

Martha Brauer, Chairman  
Trailer Estates Board of Trustees.

Martha: On Sunday February 15th the Hobby Club held its 15th valentine Party honoring our 85 and Older residents. This great social is a must for our residents. would it be possible to have pictures of this event shown on the new Trailer Estates web Site ?

Thanking you in advance for your consideration.
