

Trailer Estates lawsuit Should come to an end

It is time to resolve this nonsensical lawsuit against Trailer Estates; it has been dragging on long enough. If the judge isn't capable of making a decision one way or the other, then change judges. Either end it now or if that is impossible then it is time for the defendants to pay for their own arrogance, not Trailer Estate residents. The Board of Trustees has put Trailer Estates residents in debt over \$700,000 now, and no end in sight. Enough is Enough!
