Dear Bruce, Ken and Frank,

We are writing to extend our gratitude to you. Your five years of service to Trailer Estates has not gone unnoticed or unappreciated. The marina is one of our finest amenities, and your protection of it has been an act of service that goes well beyond our thanks or our ability to give it. Volunteerism is at the heart of what has made this park great, and we have considered your volunteer service a gift beyond measure.

Please accept our thanks for your service. You are more than deserving of that.

Sincerely yours,
