Mark, The full board discussed the kitchen and voted on the kitchen policy. It is not under anyone's duty, but Fred Hoch is Maintenance Trustee and it is a room in our facilities. I have been doing the "kitchen" duty, corresponding with Vicky and Gary, talking by phone, doing research on policy, etc. Scott and I have discussed it more than once so it has basically been on my shoulders. I sent a fax with all the inspection and reinspection reports to Scott.

Talk to you on next week. Thanks.  
Martha B.

Martha - We will look at this and discuss on Monday. Scott may know, but which Trustee has "kitchen duty"? Mark

Dear Mark/Scott:

I received this email from Gary Tillman, Supervisor, DBPR, regarding our kitchen. The 60-day extension ends early June.

Please review and begin any necessary correspondence.  
Thanks,
