Dear Ms. Neal,

As per our conversation here is my email. I will call again as per our conversation at 1pm. If your training session concludes before then feel free to give me a call. I have also copy/pasted the email plan review submission process below in case this may be useful. I have attached the application for plan review and the application for license in both Word and PDF format in case these can be of any use.

The number below is my direct line. If for some reason I am not available and you need to contact us you can call 850-488-1133 and ask for Ms. Paula Brewer or Ms. Debra Williams.

Our mailing address is below. It would be very important to use the full nine digit zip (in bold) when mailing any documents to plan review to avoid delays.
