Lenora, I am not concerned. I know you will look into it and you will be thorough.

Since the administrative complaint will not be resolved at that time, it is imperative that the District Attorney be aware of all the activities in our "kitchen" facility as he is handling the administrative complaint.

Thanks,
Martha

I have discussed this with the DBPR and the church is exempt from any type of license. Since our kitchen is not yet licensed there is not a problem with us having our breakfast. The only question is the definition of members and "associates". We are not sure what is included in that term. We have every intention of clearing up any questions you, or anyone has regarding our church breakfast. I am waiting to hear back from someone in the health department regarding our exemption as a church. Don't panic, I WILL NOT cause the park any more problems, I promise!

Scott, The TE Covenant Church holds a breakfast early in September. Since we won't have resolved our administrative complaint at that time (no quorum available) we probably need to talk with DBPR attorney to ensure that a temporary event license will not impact the pending adverse legal action. Let me know what you determine on this.

Thanks,
Martha B.
