Scott, The TE Covenant Church holds a breakfast early in September. Since we won't have resolved our administrative complaint at that time (no quorum available) we probably need to talk with DBPR attorney to ensure that a temporary event license will not impact the pending adverse legal action. Let me know what you determine on this.

Thanks,
Martha B.

I hope this note finds you well. I would like to look into a temporary license for the TE Covenant Church Breakfast. This should not interfere with any of the Park situations. We will only move forward if we are within our legal rights to do so. We would never cause the Park any grief. Please let me know if you see an issue with this.
