RE: Request for Mooring Boat—6909 Tarpon Lane

Recently we received a request for mooring a boat at 6909 Tarpon Lane. I understand that dock requests have been handled by the ARC, however, upon consultation with the District attorney it appears that I will need to submit this “mooring” request to the Board.

If a request has been submitted for mooring a boat, please submit back to TJ Miller. I will place it on an agenda for an upcoming meeting.

Thanks, and enjoy the end of the summer!
