Re: Case No. 2008 CA 11315

Dear Judge Dunnigan;

I am a resident of Trailer Estates. Some of us are concerned about the recent court order of dismissing with prejudice with stipulation on the four individuals.

We have financed the defendant's legal costs to the tune of hundreds of thousands of dollars, and are left wondering what is in the stipulation. Since we paid for their attorneys, it would seem only fair that we know what we paid for?

We would be grateful of anything you can do to help us get the answer or any suggestions you may have on how we would go about getting the answer.

Sincerely,
