

**TRAILER ESTATES PARK AND RECREATION DISTRICT
CANDIDATES' NIGHT PROCEDURE**

PP 59

1. The Chairman of the Board shall select a person to serve as an impartial Moderator. The Moderator shall appoint clerks as assistants to the Moderator to the extent necessary to follow the procedure set forth below. The Moderator or the Moderator's designee shall be the timekeepers.
2. In order to ensure a civil and orderly interview process, the moderator will review all questions. If the question is determined to be disruptive in nature, seen as a personal attack, or inappropriate, the moderator has the prerogative of eliminating the question or rewording the question. The moderator will inform the Board and the public if the question has been reworded. In all cases, the questions and responses shall be provided in a civil manner and no one shall be allowed to make personal attacks on the candidates or others involved in the Park.
3. The order for preliminary statements of each candidate will be determined by drawing numbers during a brief meeting of the candidates and moderator preceding the event (15 minutes). According to the drawn numbers, the candidates will be seated at a table with microphones.
4. The moderator shall advise the audience that they may fill out the available 3 x 5 cards with any questions for the candidates. You are asked to write your name and address on the card, in order for it to be read. Cards shall list one question only. If more than one card is submitted, the moderator will select only one question/card per resident. When each resident has had one question asked, it is at the discretion of the moderator if any additional questions are presented. Persons completing a card will hold the card up to notify the clerks to pick up the cards. The clerks will group the cards with similar questions and provide them to the Moderator. Cards may be submitted in advance of the meeting. The Board or the Moderator may set a time frame for the completion of the resident question and answer period. All question cards will be provided to the District Office for public record.
5. The Moderator shall advise each candidate that they have three minutes to make a preliminary statement to review their qualifications, experience, and reason for seeking a Trustee position.
6. The Moderator shall initially select a card and direct the first question to one candidate who has three minutes to answer. (The Moderator may combine questions.) The other candidates then have three minutes to answer the same question. A two-minute rebuttal period is then permitted for each candidate. If during this process, a candidate requests additional time for clarification, the moderator may grant the request. The other candidates may do the same. Only one request per candidate will be permitted on each question.

7. The Moderator shall direct the next question to the other candidate(s) so as to alternate who answers first on each question. The process continues until the moderator believes that all relevant written questions have been addressed.
8. The Moderator shall provide the candidates up to two minutes to present a summary. The candidates shall go in reverse order of their preliminary statements. Upon completion of the summaries by the candidates, the Moderator shall conclude Candidates' Night.

Candidates' Night Procedure for events that include more than 7 candidates has the following revisions (approved October 11, 2010).

Candidates' preliminary statements will be limited to 2 minutes (#5).
