Dear Jane,

As a followup to my phone call to you Monday and your visit to the office later that afternoon, I want to clarify in writing my answer to your letter.

First, you requested a 1st Friday of the month reservation from 4:30 to 7:30 p.m. October to May. As I explained to you, you must fill out a reservation request for this. A letter alone does not reserve a spot for you. Second, you write in your letter that the Sunsetters "will work with Mark Yawberg for the number of tables needed and the delivery and return of the tables." Mark delivers tables to the beach only on special occasions, not on a regular basis; and, functions "under the trees at the south end of the Bocce courts" cannot be scheduled. This area is not available for scheduling. Club events and/or meetings are to be held in rooms in the park facilities or at the Beach Pavilion only. Finally, I shared with you that the Sunsetters Club will not be allowed to use the Beach Pavilion this Friday, March 4. That reservation request has been denied, and no further requests will be processed for the Sunsetters until after the public hearing at the Board meeting on March 7, 2011, when the Board will determine future Sunsetters' reservations.

I hope I have answered all of your questions and concerns in regards to the Sunsetters Club.

Sincerely yours,

A handwritten signature in cursive script that reads "Gail Opper". The signature is written in black ink and is positioned above the printed name and title.
