Judy Riedel, President
Sunsetters Club
P.O. Box 6071
Bradenton, Fl 34281

Dear Judy,

Once again there was a problem at the Beach Pavilion last night between the Sunsetters Club and Bocce Club. The Sunsetters Club had no reservation request filed with the District for the Beach Pavilion last night. The only reservation for the Pavilion last night came from the Bocce Club. It is true that their reservation ended at 6 p.m.; however, since there was no reservation behind them, they were free to stay as long as they chose to stay. I realize you wrote a letter dated Feb. 21, 2011, in which you state your "intention is to arrive around 5:15 p.m.," but an "intention" is not a reservation. In the office, there is information from the Sunsetters Club stating "the club will coordinate with the Bocce Club on its once-a-month event at the beach pavilion." Clubs do not coordinate a reservation with another club. "Schedules must be submitted to the Secretary of the Board of Trustees" and "the Secretary, for the Board of Trustees, reserves the right to make activity schedule changes." It was your responsibility to complete a reservation form if the Sunsetters were to be at the Beach last night after 6 p.m.

You had no authority to ask Bocce to leave the Pavilion last night because your group had no reservation. With no reservation, your club should not have been at the Pavilion at all nor should you have asked Bocce to leave.

Your club recently requested a reservation at the Beach Pavilion on March 4, 2011. Because your club has twice broken a TE reservation rule, I, as secretary and reservation Trustee for the Board, hereby deny your reservation request for use of the Pavilion on March 4, 2011 (see p. 3 of TE Rules and Regs). As this is the second offense of the Sunsetters Club, a public hearing will be held on this matter during the March 7, 2011, Board meeting to determine any possible further suspensions of the privileges of the club to use the facilities of Trailer Estates (p. 15 of TE Rules and Regulations).

Sincerely yours,

Gail Opper, Secretary
TE Board of Trustees
