

Today's Hearing for additional penalties for the Sunsetters Club.

A procedure for the hearing was accepted by the board. Five minutes was allowed each side, with the board being able to question the speakers.

Trustee Opper verbalized the complaint. She brought forward a narrative. She provided some internal Bocce Club documents and the Bocce Club formation document that was logged into the TE office on 2/14/2011.

Jennifer Cowan of Lewis, Longman & Walker, PA, was the spokesperson for the accused. She discussed the lack of due process, lack of procedure, and lack of specificity and the failure of the board to follow the Board's own rules.

There was public comment for persons with first hand knowledge. The comments were limited to three minutes. Approximately 10 persons spoke.

The Chairman continued the hearing to Tuesday morning at 9:30 due to the lateness of the hour and the County presentation at 1:00.

Public comment will continue at that time. When the public comment is finished, Trustee Opper will make recommendation to the Board for additional penalties.

The accused shall speak to the matter of additional penalties.

The board will deliberate and deliver a decision.
