Bradenton, Fl 34207

Attn: Trailer Estates Board selection personnel

Re: My application for appointment to the current board position opening, made necessary by the recent resignation of Treasurer, Pam Cole.

I hereby make application for appointment to the currently open Board position.

I'm sure you will find my qualifications are more than adequate for this position. As a property owner of multiple properties in the District for 10 years, I am well aware of the needs and concerns of our residents. I feel I am uniquely qualified to help guide the district during these trying times. I have board experience dealing with "sunshine law" issues. I have been a manager of people and projects in companies large and small. I have owned and managed property for 20 years. I am a licensed residential builder in the state of Michigan. I am familiar with the needs, possibilities and implementation of technology. I consider myself a team player with an open mind and the ability to see both sides of any issue. I have done volunteer work in the district and wish to do more to improve it.

I believe our best years as a district are still to come. We currently are up against a tough economy which has impacted property values. We have procedural and organizational issues to overcome. However, it can be done. We should strive to lead the district into the 21<sup>st</sup> century.

Thank you for your consideration.

Regards,
