

## **BULLETS**

April 4, 2011

- Lenora Neal was elected by the Board to fill the Trustee vacancy left by the resignation of Pam Cole. She was then elected by the Board to become its new treasurer and also to sit on the Media Committee.
- Summer hours in the laundry begin in May.
- Be sure your home is secured before you leave for the summer and notify the TE Office of your lawn maintenance person and the name of anyone who looks after your home while you're gone.
- The April Tribune calendar has many errors. Gail will once again call Teledrex to try to correct the situation. Bear with us in this process, please.
- An upgrade to our fire system has been mandated by the Fire Marshall. Three bids were presented to the Board for this upgrade.
- The floor of the Large Hall will be refinished in the fall.
- Beach Pavilion reservations will be honored through April 2012. The Board will revisit this situation in February 2012.
- Fred and Mark will begin the investigative process of dredging the Marina. The entire process may take several years to complete.
- Rumor Control: 1) Judge Dunnigan, who handled our lawsuit in Civil Court, was not demoted as a result of our case. Due to the normal rotation of judges in Manatee County, Judge Dunnigan is now presiding over Family Court. At some point in the rotation, she will return to Civil Court. 2) Gail is the only Trustee who reads and proofreads the Tribune articles. She alone decides if an article does not meet the standards set by the Board for publication. No other Trustee reads the articles before they are published. If Gail rejects an article for publication, the recourse for the writer is then the Media Committee, composed of three Trustees who decide the outcome of the article.
