MAY 16, 2011
Immediately following the 9:30 a.m. Board of Trustee Meeting
SMALL HALL
1903 69TH AVENUE WEST
BRADENTON, FLORIDA 34207

Workshop began at 11:48 A.M.

1. Pool Rules. Lenora discussed rule #10 of the pool regulations. Due to a misunderstanding at the pool recently she wished to have the rule clarified. He trustees discussed this and determined that maybe the word “except” would clarify the interpretation of the rule. More information would be needed before changing this rule, however. Lenora apologized to the residents involved in this matter.

PUBLIC COMMENT.

Mary Huston, 1714 Minnesota—Commented on the fact that she only checked ID’s at the pool years ago and nothing more.

Barb Duran, 6517 Washington—Commented on the “No Fishing” sign at the beach. Would like to see if this sign could be changed to Residents and Guests only.

Workshop adjourned 12:00 Noon.
